

MUNA HI-TECH INTERNATIONAL SCHOOL

ANNUAL REPORT 2023-24

Education Is the passport to the future, for tomorrow belongs to those, who prepare for it today.

Esteemed Chairman, Dr. Abdul Rahman, Vice chairman, Mrs. Samsad Rahman, Senior Principal Dr. Bijoya Chandra Padhy, Parents and loving students.

It's a matter of great privilege and pleasure in presenting to you the Annual Report of Muna Hi tech International school for the year 2023-24.

Before I present a brief description of our achievements in different fields, I express my gratitude to our honourable chairman and vice- chairman of Muna institutions, who not only look after the welfare of this institution, but also guide and motivate us to achieve higher goals.

Our scholastic record, innovative learning methods and a strong commitment delivering quality - through integrity, have helped us, scale new heights in the field of education. The aim of our school is not just to impart knowledge but to foster the growth of responsible, all round, and life long learners who can contribute positively to society.

We are extremely proud to announce that due to the Chairman sir's great contribution in the field of education and great infra structure at Muna Hi-Tech International School our chairman got the Best School Award at New Delhi on 17 September 2023.

We are proud of it. Thank you, Sir, for the award.

For the development of the all-round personality of students, we conducted a variety of programmes- in addition to the cognitive development.

ENVIRONMENT EDUCATION:

School makes Environment Awareness Programmes for students' understanding and to follow-up that we make & live in a safe, pleasant environment.

Assembly activities are held to bring awareness among students regarding 'Cleanliness of environment', regarding less use of plastic materials, to stop wastage of water & water conservation etc.

We had the spell-bee competitions, speech competitions, Rhymes

&Self-introduction competitions, Story Telling competitions, National Anthem singing competition etc. for KG to grade 7 students.

INNOVATIONS:

Students are encouraged to think out of box and make things. Some students make 'Best out of waste ' items made of waste plastics, waste papers & waste match boxes.

We also celebrated the important days like Aids day, World Soil Day, International Human Rights Day, Republic Day and festivals like X'mas celebrations, Pongal celebrations etc.

We are proud to say that three of our students excelled in State level ABACUS competitions and got championship, first position and second position. They are, Lakshika Devi and Ginisri of grade 6 and Lakshan V.M of grade 3.

OVERALL RESULTS:

Our students are faring well in-home Examinations. Qualified, experienced & motivated teachers guide the students continuously in their ACADEMIC PURSUITS.

ACHIEVEMENTS IN SPORTS:

Our students are taking active interest in games & sports. We even organized inter school KABADDI, KHO-KHO & CHESS Competitions in our campus.

We gave the students chance to participate in Indoor Sports Activities such as carroms and outdoor games, other interesting fun games like bursting the balloons, marble and spoon, Sack race, Frog race etc.- for which they will get certificates and trophies.

P T A ACTIVITIES:

We have Parents-Teachers Association. At the end of every periodical and Terminal tests, they sit and discuss not only the performance in academics, but also in CO-CURRICULAR ACTIVITIES. Also, they discuss about behavioral approaches in students, and how the same could further be improved.

SCHOOL MANAGING COMMITTEE:

School has formed the Managing Committee where the members comprise of Management members, Principal, Staff Representatives, Parents' Representatives and eminent educationists from this area. They sit twice a year and discuss various aspects of school life, school's improvement etc.

I have the pleasure to reflect the parents' opinion on parent Teachers' meeting that we have come to their expectations in the delivery of academics. We have tried to take individual attention to every child.

Muna Hi-Tech International School has a wonderful infra structure, large indoor games facilities and faculties from outside. We will see that, we meet to all the expectations of our worthy parents.

Thank You and have a nice day!!

Senior Principal

Dr. Bijoya Chandra Padhy
